A

Abuse, Child

Potential for abusive parenting by rural mothers with low-birth-weight children (Bakewell-Sachs), 270

Abuse, Spousal

An Evaluation of after-treatment couples' groups for wife abuse (Tiedje), 216

Should there be laws mandating domestic violence reporting? (Simpson), 224

Adolescents

Camp Super teens: An asthma education program for adolescents (Alaniz, Nordstrand), 133

Gender differences in health and risk behaviors among bisexual and homosexual adolescents (Lipman), 318

Normal growth in high-risk hyperlipidemic children and adolescents with dietary intervention (Hayman), 215

Perspectives of women whose sons become adolescent fathers (Dallas, Chen), 247

Pregnancy wantedness in adolescents presenting for pregnancy testing (Bloom, Hall), 296

Prevention: Are we really reaching today's teens? (Muscari), 87

AIDS. See HIV Infection

Analgesia. See Pain Management

Asthma

Camp Super teens: An asthma education program for adolescents (Alaniz, Nordstrand), 133

Attention Deficit Hyperactivity Disorder

Self-perception in hyperactive children (Dumas, Pelletier), 12

B

Breastfeeding

Breast-feeding and infant illness: A dose-response relationship? (Tiedje), 215

Lactation duration: Influence of human milk replacements and formula samples on women planning postpartum employment (Patterson), 159

Should nurses offer discharge formula samples to women who plan to breastfeed? (Simpson), 166

Using kangaroo care in a clinical setting with full-term infants having breastfeeding difficulties (Meyer, Anderson), 190

C

Certification

Certification in fetal heart monitoring (Simpson), 10

Children. See also Adolescents; Mother-child relations; Pediatric Nursing

Alternate child care, history of hospitalization, and preschool child behavior (Lipman), 318

Assessment of stressors in families with a child who has a chronic condition (Burke, Kauffmann, Harrison, Wiskin), 98

Behavior changes after growth hormone treatment of children with short stature (Lipman), 160

Chronically ill children coping with repeated hospitalizations: Their perceptions and suggested interventions (Lipman), 93

The effect of a social support boosting intervention on stress, coping and social support in caregivers of children with HIV/AIDS (Hayman), 55

Normal growth in high-risk hyperlipidemic children and adolescents with dietary intervention (Hayman), 215

Red flags in common pediatric symptoms (Wetzell), 37

School-based interventions improve heart health in children with multiple cardiovascular disease risk factors (Hayman), 54

Self-perception in hyperactive children (Dumas, Pelletier), 12

Chronic Illness

Assessment of stressors in families with a child who has a chronic condition (Burke, Kauffmann, Harrison, Wiskin), 98

Chronically ill children coping with repeated hospitalizations: Their perceptions and suggested interventions (Lipman), 98

The effect of a social support boosting intervention on stress, coping and social support in caregivers of children with HIV/AIDS (Hayman), 55

Mothers with multiple sclerosis and their children: Effects of fatigue and exacerbations on maternal support (Hayman), 54

Cleft Lip/Palate

Assessment of stature in children with orofacial clefting (Lipman, Rezvani, Mitra, Mastropieri), 252

Computers

Confidentiality and privacy with discussion lists and cyber nurseries (McCartney), 263

Grab their attention! Make your point! (Gerstle), 257

Guiding parents' use of the Internet for newborn education (Lamp, Howard), 33

Pediatric nurses network (McCartney), 312

Continuing Education

Current concepts in preeclampsia (Patrick, Roberts), 201

Red flags in common pediatric symptoms (Wetzell), 45

Cultural Issues

The Development of a social support intervention among African American women (Tiedje), 318

Perspectives of women whose sons become adolescent fathers (Dallas, Chen), 247

Storytelling as a tool for providing holistic care to women (Banks-Wallace), 20

D

Depression, Postpartum
